LOUIS XIII

ONE CENTURY IN A BOTTLE

Provenance and time are the very essence of LOUIS XIII cognac. Grapes grown in Grande Champagne – the premier cru of the Cognac region – are carefully blended over the years to create the cognac inside every decanter.

Each drop represents a finely tuned craft passed down from one generation of Cellar Master to the next, taking up to 100 years to craft. A firework of aromas results in a dense harmony of floral, spice, fruit, wood and nut dimensions. It has unparalleled complexity and an extremely long finish of up to one hour.
